Objective:

To continue work in the games industry and grow into new roles.

"Xander is an incredibly talented artist with drive and passion to match. His UI Art work on **Transformers: War For Cybertron** speaks for itself. Xander also provided me well thought and laid out plans to increase the value of High Moon Studios web presence. Xander is a consummate team player who finds ways to contribute beyond the expected. I highly recommend Xander to any creative and driven organization."

-Peter Della Penna
President
High Moon Studios, Activision

"Xander is a very talented Artist. He is a positive influence on the people around him and an asset to any team."

-Matt Tieger
Game Director
High Moon Studios, Activision

"It's rare to find individuals with the level of enthusiasm and dedication he has to the medium. In addition to his design expertise, his experience in other industries with quick turnaround times enabled him to generate a tremendous amount of work in a short amount of time."

-Jared Adkins
User Interface Artist
High Moon Studios, Activision

"Xander is a highly creative and passionate individual. He has a unique eye for design and branding that pushes the envelope and ignites his team to deliver excellence. I have learned a great deal from Xander while I worked with him and his influence has been instrumental in our positive growth."

-Michael Reynolds
